THE HEALING EFFECT OF THE MASS AND THE DIVINE LITURGY: Most Reverend William Skurla, Metropolitan Archbishop of Pittsburgh, writes, “During the last year, we all have had time to reflect upon how we missed the in-person celebration of the Eucharist. The healing effects of the common celebration of the Eucharist bring healing on at least three different levels. Healing comes through the individual experience of the celebration, the social level of prayer for others, and the mysterious connection to the Divine.” To read his entire article, visit the Eparchy of Pittsburgh’s website at www.archpitt.org.
